

## Rise Above Rejection: Exposing the Little Girl in Me (Middle English Edition)

This book is a true story about a lady who experienced rejection at 4 years old and not by a stranger but by her mother. She grew up feeling abandoned, suicidal, depressed most of the time and had very low self-esteem. She had not been able to cry publicly for over 32 years of her teenage and adult life due to the many tears she shed at 4 years old. However, she had a divine revelation from the Holy Spirit one evening in October 2003 right after she had been bombarded with thoughts to end her life by pulling out in front of an 18-wheeler truck. She ignored the voice and made it to her destination where she was immediately told by the Holy Spirit to get a pen and paper and write what she heard. This is an awesome story of an OVERCOMER in life!!!
