

Amazing Mazes: groovy, graphic games (Dover Childrens Activity Books)

In this book, 60 wild mazes pulse with a psychedelic spirit, luring you through a sea of faces, an alphabet soup, a mushroom-dotted meadow, an urban streetscape, and other beguiling scenarios. Created by two pioneering puzzle-makers, these bold and groovy graphics form labyrinthine patterns of prisms, flowers, forests, and other mesmerizing designs. Maze enthusiasts of all ages will find these puzzles the perfect combination of exquisite frustration and utter delight. Brief captions offer encouragement, and solutions appear at the end.
