

Growing Up Aloft

Kate is one and a half and ready to travel. Milk bottles in her backpack and stroller at hand, she ventures into Andalucia, Spain. Spanning 14 trips over 16 years, Growing Up Aloft shows us Europe through the eyes of a child--from tubby toddler to independent teen. Join Kate in her adventures as she bumps into the Prince of Monaco, gets snatched by Italian tourists and falls in love with a Burgundy village. Original and peppy, Growing Up Aloft will charm you with photos, fun facts, and anecdotes. More details about the book and the author can be found at this website. ? <http://growingupaloft.com>
