

## Seasons Of My Life (U) (Ulverscroft Large Print Series)

Hannah Hauxwell first appeared before the British public in the 1970s in the TV documentary TOO LONG FOR WINTER, which told of her struggle for survival on a desolate farm in the Yorkshire Dales, with no electricity or running water, and little money. For the first time, she now tells the full story of life at Low Birk Hatt Farm, in Baldersdale, in a near deserted corner of the Pennines.
