

I was born in 1964 in Wisconsin. Even as a small child, I was always sensitive to the spirit world. Through the years of my life, I had many encounters with the spiritual world. I felt both the presence of God and the presence of something evil. Even now as an adult, I can still feel both of these presences. But looking back at my life, I feel that the realities of my spirit world have made me stronger. This book includes not only my encounters with the spirit world, but the encounters of my family as well. I also added some of my other writings that will enlighten you and change your way of thinking! -Julie Ringer For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life.
