

This is not a book of boring shit bragging “I’ve done this and I’ve done that”. It’s about funny moments and strange scenarios through my life you might relate to, be in or learn from! And why would you care? Well, I’ve tried to write about all things that would interest me if I was reading about someone else. Funny, embarrassing, crazy and stupid moments I’m sure I’ll regret sharing but at the end of the day I’ve just enjoyed finally putting my memories to paper and hope that someone else can enjoy this story as much as I’ve enjoyed living it.
