

Hanging Hill

One morning in picture-perfect Bath, England, a teenage girl's body is found on the towpath of a canal: Lorne Woods - beautiful, popular, and apparently the victim of a disturbingly brutal murder. Zoe Benedict - Harley-riding police detective, independent to a fault - is convinced the department head needs to look beyond the usual domestic motives to solve the case. Meanwhile, Zoes sister, Sally - recently divorced and in dire financial straits - has begun working as a housekeeper for a rich entrepreneur who quickly begins to seem possibly dangerous. When Zoes investigation turns up evidence that Lornes attempts to break into modeling had delivered her into the world of webcam girls and amateur porn, a crippling secret from Zoes past seems determined to emerge.
