

## Dead Man Rising: From a Watery Grave to an Incredible Life

They say when you die, your whole life flashes before you. I found out the hard way...that's not quite right. author, Larry Skahill An afternoon of birthday fun spearfishing near Santa Barbara, California turns into a fight for life after Larry is ran over by a fishing boat and essentially cut-in-half. A dive boat skipper's worst nightmare comes true (Capt. Ron Fairbanks, dive boat skipper and PADI instructor). Join Larry on this enormous personal journey (Dr. Kenneth Waxman, Board of Governors, American College of Surgeons) to the very gates of Heaven (Pastor Jerry Morris) and back to a fight for his life that will require grit and determination for a triumph over adversity against all odds, (Captain Steve McCullough, Santa Barbara Harbor Master). Dead Man Rising is an inspirational story of hope that defies physical laws and medical knowledge and will encourage you with a faith that all things happen for a reason.
