

Make Take Murder (A Kiki Lowenstein Scrap-N-Craft Mystery)

Book four in the Agatha Award-nominated series. Dumpster diving for her lost paycheck is definitely the low point of Kiki Lowenstein's day -- until she finds a severed leg in the garbage outside the scrapbook crafts store where she works. Then comes a creepy computerized voice message, a warning to the stores rich and snotty female shoppers. Kiki's investigating reveals that the leg belonged to Cindy Gambrowski, a customer with a tyrannical and violent husband ...and now he's after Kiki.
