

CWCN Exam Practice: Practice Questions for the Certified Wound Care Nurse Exam (CWCN Exam Prep)

The Wound, Ostomy, and Continence Nursing Certification Board (WOCNCB) began certifying nurses in 1978 as a way to recognize and differentiate the value of expert nurses from those at an entry level. Upon passing the wound, ostomy or continence exam(s) individuals receive their CWOCN, CWCN, COCN, CCCN, or CWON credential. Certification must be re-established every five (5) years. This exam contains high frequency practice questions.
