

Norms Shorts

A zombie interrupts a vampire bat feast at the local pizzeria. A caveman is treed by a saber-tooth. Two pets witness their master turn into a werewolf. What do all of these have in common? Not much, other than each has a starring role in this collection of short stories by Norm Cowie, award-winning business columnist, author of six humor books and founder of the Humor Writers of America. Norms Shorts runs the gamut of vampires, cavemen, college dudes, werewolves, fantasy, sci-fi ... all unapologetically laced with humor (and featuring a short humor essay by Norms daughter, Sam).
