

FUNNY LITTLE FINGERS chronicles a somewhat light-hearted life view of growing up in a sleepy town, coping with Amniotic Bands Syndrome added to already challenging situations. The only son of a Filipino national who moved to Hawaii to earn his fortune, the subject of this short escapade touches on the cultural aspects influencing local childhood that evolves into little comical bouts with puberty and testosterone. Oftentimes not even realizing that he is different, he finds himself puzzled at some hurdles yet ecstatic at minor victories. It is hoped that somewhere within is a message that says, "All things are possible; for them to become probable is up to you."

My War: The True Experiences of A U.S. Army Air Force Pilot in World War II, A General Collection of Voyages and Travels from the Discovery of America to Commencement of the Nineteenth Century, Volume 6, Solos for the Double Bass Player: Double Bass and Piano, Troglodata. Il futuro di Internet visto dalle nostre caverne (Digitalissimo Vol. 6) (Italian Edition), Dead Man Rising: From a Watery Grave to an Incredible Life, Secrets of polar travel, An Amish Boy and a Mothers Prayer: The Founder of Graber Post Buildings Tells His Story, Gotta Do What You Gotta Do: The trials & tribulations of an artists rise to the top. Based on a true story,
