

The story of a inner city young black male faced with insurmountable odds and how he overcomes them. Hes from a broken family and was raised in a poverty stricken, drug ridden, murderous environment. Hes no angel but he has a good heart. Brice is a college student and a star basketball player but when tragedy strikes his family, hes forced to do some things that hes not proud of. This is a vivid tale about what happens in the streets, when lines are crossed.

In Comes I: Performance, Memory and Landscape (University of Exeter Press - Exeter Performance Studies), Storia segreta di Hugo Chavez.
