

In the Beginning (Holey Hullabaloo Book 1)

A humorous retelling of Genesis from Eves pole dancing to Skippy Noah surfing to Hagar in a french maid outfit and more. Each chapter is a condensed scene making the flow pleasant and easy to follow. Weighing in at just over 10,000 words, this short novella allows you to breeze through the beginning of time in an afternoon, perhaps even saying to yourself, I didnt know it happened like THAT.
