

## Confessions of a Dopemans Daughter 2: Consequences of the Game

After barely escaping death, ISIS is no longer the sweet, innocent girl she used to be. The game has changed her! Somewhere out there is the person that pulled the trigger and left her for dead, and Isis is fixated on finding the guilty culprit. It is what matters most to her more than love, school or anything. But some secrets are better left uncovered. When Isis discovers the identity of her assailant, she is shocked beyond belief. Betrayed is too soft of a word to describe what Isis feels. Swift and deadly revenge is in order. But will she have the heart to pull the trigger when she must aim the gun at someone she loves in part 2 of CONFESIONS OF A DOPEMANS DAUGHTER?
