

## A Cold Snow in Castaway County

Dell Hinton left the Boston Police Department after a high-profile shooting incident and moved to a quiet community in Maine. After living by the lake for a year, his friend, the local minister, convinces him to run for the office of Castaway County Sheriff. Once elected, Dell assumes the new position and finds that being a sheriff is quite different from being a police officer. When he meets the incumbent sheriff he finds out about a cold murder case the prior sheriff has never been able to solve. Dell sets his mind to try to solve the case while learning to be a county sheriff.
