

## Coco Chanel & Igor Stravinsky (Portuguese Edition)

Os destinos de Coco Chanel e Igor Stravinsky cruzaram-se pela primeira vez na desastrosa estreia de *A sagração da primavera*. Sete anos mais tarde, encontraram-se novamente. A nova-rica Chanel convida o exilado Stravinsky sua família esposa e quatro filhos para passar o verão em sua casa de campo. Ambos experimentam uma nova explosão de criatividade e eles se envolvem num inebriante caso de amor.
