

Nalley, a Southern Family Story

This family history, filled with stories that make the Nalleys come alive, is not a genealogical record, although genealogy is included. Chronicling 170 years in the life of a family, the opening chapter portrays the illustrious lives of the patriarch and matriarch. Twelve more chapters depict the lives of each of their children. Information on places and events pertinent to the family is recorded. Included is statistical information on births, marriages and deaths interwoven with national and world events. If you have a drop of Nalley blood flowing through your veins, you will want to own a copy of this book for your library.
