

Reel Bad Arabs: How Hollywood Vilifies a People

Countless movies have portrayed Arabs as loathsome lechers who terrorise, murder, and finally die in droves! In Reel Bad Arabs film scholar Jack Shaheen exposes in fascinating detail this appalling side of the Hollywood dream machine. This stupendous study dissects this slanderous history dating from cinemas earliest days to contemporary Hollywood blockbusters that feature Bedouin bandits, sinister sheikhs, machine-gun wielding and bomb-blowing evil Arabs. He examines how and why such a stereotype has grown and spread in the film industry and what may be done to change Hollywoods defamation of Arabs.
