

## Rob Da Banks A-Z of Festivals: My Festival Life in 26 Letters

Rob da Bank founded Sunday Best in 1995 as a weekly night at the Tearoom des Artistes in Battersea. It set the blueprint for one of the most respected and influential party organizers, festival owners, DJs and record labels (Sunday Best recordings e.g. Groove Armada) in the UK. In 2004 Rob held the first Bestival and since then it has established itself as one of the most idiosyncratic and popular annual music gatherings. This is an A-to-Z memoir of Rob da Banks journey, beautifully illustrated by his wife Josie. Encompassing myriad global festivals, the beaches of Ibiza, the coolest clubs, and the Isle of Wight, its a celebration of what brings people together and a personal history of the last fifteen years of festivals and music.
