Excerpt: ... Yet they, as if it never had been, On all good precepts trample. But heres the spite, it would anger a stone, That a woman should go to heaven alone: But it will never be by hope, thats bred in the bone Theyl never mend by example. xxxviii. THE PHANTASTICK AGE; OH, THE ANATOMY OF ENGLANDS VANITY, In wearing the fashions Of severall nations. With good exhortations Against transmutations. From the Moxburghe Collection of Ballads, now in the British Museum, volume i. It is printed for Thomas Lambert, and directed to be sung to the tune of O women, monstrous, &c. The song in page 144, seems to have originated the following, which is little more than its amplification, by an author who wished to rival Will Bagnalls Ballet. Audience, audience, gallants all, For here, as on a stage, Ile shew the postures admirall Of this phantastick age, Wherein both sexes are grown strange, And, Phebe-like, they often change. O monsters, Neutrall monsters, Leave these foolish toys. Chamelion-like, themselves they change, To any colour seene; How many severall fashions strange Hath here observed beene Within the circuit of few yeares, As by experience truth appeares. O monsters, &c An English man or woman now, (Ile make excuse for neither,) Composed are, I know not how, Of many shreds together: Italian, Spaniard, French, and Dutch, Of each of these they have a touch. O monsters, &c. The German, and the drunken Dane, The Persian, and Polonian; The sun-burnt Ethiopian, The Russian, and Slavonian; Our English imitate in cloathes, In drinking, drabbing, and strange oathes. O monsters, &c. When meeknesse bore in England sway, And

pride was not regarded, Then vertue bore
the bell away, And goodnesse was
rewarded; The burden is the same to the
end, except that foolish ...
