

Sheenas Dilemma: Its Better To Marry Than To Burn, is the third installment in the Dilemma Series that features lifelong friends Ivy, Jade, Sheena, and Miranda - four women from Camden, New Jersey who navigate the rugged terrains of life through their faith in God to prevail over unpredictable circumstances. Sheena Daniels, the naturally beautiful and over opinionated protagonist who was first introduced in Ivys Dilemma: Thy Will Be Done, as the government lawyer, has been afraid to commit romantically to her co-worker and friend, Jason Jackson. Sheena realizes that love is more than just feelings, and finally deciphers her way to true love and happiness while healing from injuries she sustained from a brutal attack.
