

Struggling to adjust to the horrifying tragedies that befell their family, Patrick, Logan, & Lillian Bellwood attempt to adjust to a new, grim reality. As the oldest, Logan Bellwood struggles to keep the remaining members of his family together but his own dark secrets threaten to tear his world apart, as Patrick Bellwood struggles to hold onto his sanity, wondering if his mind is playing tricks on him or if what he is seeing is real as his dreams are plagued by terrible apparitions. Meanwhile, Lillian Bellwood descends into darkness as she believes her family is being haunted by a force that may prove to be all too real. As more chaos descends upon their household, the Bellwood children attempt to cling to their love for each other, even though it may be the one thing that tears them apart.
