

The Spirit of Cardinal Bernardin

This book was first published in 1983, the year after Cardinal Bernardin arrived in Chicago. It provides a behind the scene portrait of the Cardinal at work, sharing responsibility, making decisions, healing rifts. Also included in the book is the funeral homily and 23 tributes to the memory of Cardinal Bernardin from luminaries such as President Clinton, Andrew Greeley, Ann Landers, and Martin Marty. A powerful and fitting way to appreciate the personal spirituality and leadership style of Cardinal Bernardin.
