

## The Witnessing of Matlyn Wren

A hundred years of service. A hundred years of Witnessing death you will write their histories. The key to your salvation will be born in pain and written upon your skin. Bakers life ended in 1915 and he became something ... more. Forced into an endless loop of tedium and pain, he was all too happy to meet his end ... Until he came face-to-face with his next Story, Matlyn Wren.
