

Extraordinary Encounters

For a while, I thought I had an out-of-body experience similar to that of the Apostle Paul (2 Corinthians 12:2-4). Then, I thought I might have had a vision. However, after the Lord had shown this to me about twenty-two times I believed I saw heavens signature on the spark of life. Jesse has led a remarkable life filled with spiritual experiences. He is one in a billion who has a close relationship with the Lord, though it wasnt always so. In fact, Jesse was called to ministry but did not respond at first. Through this struggle and others, Jesse has learned to accept the Lords presence for what it is, regardless of what others around him may say or think. Anyone who has already witnessed the extraordinary activities of God will be even more encouraged with Jesses account of his life, and anyone who has yet to have such an experience will be enlightened. The Lords revelations are challenging and exciting, and Jesse is an example in seizing the moment. After reading his story, you will be empowered to overcome the odds against you and have your own Extraordinary Encounters.
