

Hell

The pretty gift-wrapped box floating in a toy dinghy looks innocent enough, but it holds a bloody secret: a human heart. Nothing is more important to Detective Sam Becket than being able to keep his family safe. But when that gruesome package is found outside their home, they fear it can mean only one thing: that Cal the Hater is back. When a second grisly discovery is made in a crowded resort pool, the great manhunt is back on. Yet those troubles are nothing compared to the unthinkable nightmare that Grace is about to plunge into. Suddenly, Sams greatest hell is watching his wife on the edge of the abyss and knowing theres nothing he can do to help her.
