

Teach Yourself VISUALLY Piano

Want to go beyond Chopsticks? This visual guide to tickling the ivories will show you the way. By Chapter 2, you'll be playing simple pieces and practicing scales. You'll progress from getting familiar with notes, symbols, and keys to playing basic chords and reading music like a pro. Without getting bogged down in boring theory, you'll learn what you need to know and enjoy playing as you go! Whether you like Bach or rock, jazz or country, golden oldies or new age, you'll love learning to play the fun, visual way. Concise two-page lessons show you all the crucial skills and are ideal for quick review. Each skill, chord, or technique is clearly described. Concise and understandable instructions accompany each photo. Detailed color photos demonstrate proper fingering technique. Helpful tips provide additional guidance.
