

# Oh My God! Am I Alright?: A True Account Of My Life

Oh My God! Am I Alright? is the coming out story of a young confused man growing up in the Western Suburbs of Sydney to strict Lebanese Christian parents. From the outside looking in, Michael El-Bacha seemed like any other Lebanese boy from a large family with strong values and an appetite for football, fast cars and chicky babe, but after his parents notice that Michael is not like other typical boys, he is whisked off to Lebanon to marry his first cousin. A young Michael struggles to deny his true sexuality and leaves his young bride and infant child to find his identity, before embarking on a downward spiral, and losing a lover, leads him back home. Sex, drugs, homosexuality and love potions are what make this tale of self discovery tantalizing. His story will make you laugh, cringe and cry. Michaels story is written with Melissa Kleores
